Safety is serious business. Take precautions and report unsafe conditions.

- Hold handrails to help maintain balance.
- Slow down going up and down stairs.
- Ensure a firm footing on each tread before taking the next step.
- Keep your line of sight clear. Hold items so that you can see over or around them.
- Use an elevator to move large objects from one floor to another.
- Never store materials on stairs. Place items in their proper storage areas.

Step Wisely on stairs.

Always Grip Handrails on Stairs

AVOID INJURY
