Safety is serious business. Take precautions and report unsafe conditions.

- Never store materials in walkways. Return equipment and materials to their proper storage area as soon as you are done with them.
- Route power cords to avoid walkways. Use bridges to cover cords that must cross walkways.
- Step carefully around power cords that cross your path or are near your work area.
- Close drawers when done using them. When left open, they create a tripping hazard for others.
- Smooth rugs that have become curled or bunched.
- Clean up spills right away.

Step Wisely: Keep walkways and workspace clear of hazards.
